China Super Value Programs

China is a huge country and it is one of the oldest civilizations in the world. From the mountainous Himalayas to the fertile Yangtze River Delta, China's highly complex topography created the most beautiful landscape. Along with its rich history, China is the third most visited country in the world. The number of overseas tourists was 55.98 million in 2010.

We specially designed the following six programs for the best value of money. You will travel with fellow travelers from English speaking countries around the world, visit the most popular cities and enjoy all must-sees in a carefully arranged program. Plus, we provide national guide to groups with 10 passengers or more. Leave all hassles behind, and enjoy an unforgettable trip for a lifetime.

Share fun with others!
